June 2018 Newsletter

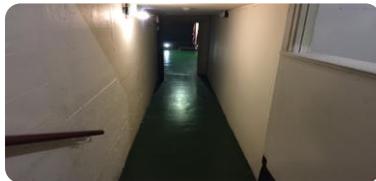

Welcome to the Western Approaches June 2018 Newsletter!

It's been another busy month here at Western Approaches HQ - as we look to continue enhancing the experience for our visitors.

A reminder, we are open six days a week (closed Wednesday) from 10am to 5pm - so pay us a visit soon!

In this edition of the Western Approaches Newsletter, we look back at an incredible story from down in the bunker; whilst also looking forward to a new exhibition coming very soon. Take a look below!

The Road to War in Europe

We are pleased to announce that a brand new exhibition will be making its debut in Western Approaches HQ very soon. Our green room, which appears at the beginning of the tour, will be transformed into a room which looks closely at the events between 1919 and 1939 which triggered the beginning of World War II. Keep your eyes peeled to our social media channels for more information soon!

Armed Forces Day 2018

On 30th June 2018, it is the UK Armed Forces Day for 2018. This event is a nationwide chance to show your support for the men and women who make up the Armed Forces community. We are therefore offering FREE entry to all reservists, service personnel and veterans on this day. To gain your free entry, the relevant ID must be presented upon arrival. Veterans should bring along their British Veterans Recognition Card.

The incredible story of Mr Marachant

Following on from Fathers Day on Sunday, we had the pleasure of welcoming a visitor called Mr Marchant recently. His story inspired us to take on a special offer for Fathers Day - and also it gained a lot of interested from news outlets such as BBC, Liverpool Echo and the Independent Newspaper!
